

# **Language Use in Coaching Policy**

**London Sport Academy**

## **1. Purpose of the Policy**

This policy outlines how languages may be used by coaches during training sessions and explains the circumstances in which a language other than English may be used.

The purpose of this policy is to ensure:

- the safety of all gymnasts,
- clear understanding of coaching instructions,
- transparency for parents and guardians,
- compliance with British Gymnastics standards,
- an inclusive training environment.

## **2. Primary Language of Coaching**

2.1. All coaching at London Sport Academy is conducted in English.

This includes:

- exercise explanations,
- technical corrections,
- safety instructions,
- organisational communication,
- group interaction.

2.2. English is the official and primary working language of the club.

## **3. Use of Additional Languages**

At times, a coach may briefly repeat an instruction or correction in another language.

This is permitted only in the following circumstances:

3.1. When a gymnast does not yet have sufficient English to fully understand an instruction.

The purpose is to ensure that the gymnast:

- understands what is being asked,
- can perform the exercise safely,
- avoids unnecessary risk of injury.

3.2. Any language that the gymnast understands may be used, including but not limited to:

- Russian
- Ukrainian
- Romanian
- Spanish
- Italian
- Arabic
- Farsi
- any other language required for clarity

3.3. The use of an additional language is not a sign of preference, favouritism or exclusion.

It is solely a tool used to support:

- safety,
- clarity,
- and effective coaching.

#### **4. Equality and Inclusion Principles**

The use of additional languages:

- does not breach the club's equality or inclusion policies,
- does not give advantage to any gymnast,
- does not exclude any gymnast from the coaching process.

London Sport Academy adheres fully to its Inclusion and Equality Policy and Safeguarding and Child Protection Policy.

#### **5. Responsibilities of Coaches**

Coaches are required to:

- deliver all coaching primarily in English,
- ensure that instructions are understandable to all gymnasts,
- use an additional language only when necessary for clarity or safety,
- avoid extended conversations in another language unless directly coaching-related,
- maintain an inclusive and respectful environment for all gymnasts.

#### **6. Responsibilities of Parents and Guardians**

Parents and guardians agree to:

- respect the multilingual environment of the club,
- understand that the use of other languages supports safety and clarity,
- refrain from interpreting the use of any additional language as discrimination or exclusion,
- raise any concerns through the official club Complaints and Grievance Procedure.
