COOKIE POLICY

This Cookie Policy was last updated on August 24, 2020 and applies to citizens of the United Kingdom.

1. Introduction

Our website, <http://londonsportacademy.co.uk> uses cookies and other related technologies (for convenience all technologies are referred to as "cookies"). Cookies are also placed by third parties we have engaged. In the document below we inform you about the use of cookies on our website.

2. What are cookies?

A cookie is a small simple file that is sent along with pages of this website and stored by your browser on the hard drive of your computer or another device. The information stored therein may be returned to our servers or to the servers of the relevant third parties during a subsequent visit.

3. What are scripts?

A script is a piece of programme code that is used to make our website function properly and interactively. This code is executed on our server or on your device.

4. Cookies

4.1 Technical or functional cookies

Some cookies ensure that certain parts of the website work properly and that your user preferences remain known. By placing functional cookies, we make it easier for you to visit our website. This way, you do not need to repeatedly enter the same information when visiting our website and, for example, the items remain in your shopping cart until you have paid. We may place these cookies without your consent.

4.2 Social media buttons

On our website we have included buttons for Facebook, Twitter and Instagram to promote webpages (e.g. “like”, “pin”) or share (e.g. “tweet”) on social networks like Facebook, Twitter and Instagram. These buttons work using pieces of code coming from Facebook, Twitter and Instagram themselves. This code places cookies. These social media buttons also can store and process certain information, so a personalised advertisement can be shown to you.

Please read the privacy statement of these social networks (which can change regularly) to read what they do with your (personal) data which they process using these cookies.

The data that is retrieved is anonymised as much as possible. Facebook, Twitter and Instagram are located in the UK.

5. Your rights with respect to personal data

You have the following rights with respect to your personal data:

- You have the right to know why your personal data is needed, what will happen to it, and how long it will be retained for.
- Right of access: You have the right to access your personal data that is known to us.
- Right to rectification: you have the right to supplement, correct, have deleted or blocked your personal data whenever you wish.
- If you give us your consent to process your data, you have the right to revoke that consent and to have your personal data deleted.
- Right to transfer your data: you have the right to request all your personal data from the controller and transfer it in its entirety to another controller.
- Right to object: you may object to the processing of your data. We comply with this, unless there are justified grounds for processing.

- To exercise these rights, please contact us. Please refer to the contact details at the bottom of this Cookie Policy. If you have a complaint about how we handle your data, we would like to hear from you.

6. Enabling/disabling and deleting cookies

You can use your internet browser to automatically or manually delete cookies. You can also specify that certain cookies may not be placed. Another option is to change the settings of your internet browser so that you receive a message each time a cookie is placed. For more information about these options, please refer to the instructions in the Help section of your browser. Please note that our website may not work properly if all cookies are disabled. If you do delete the cookies in your browser, they will be placed again after your consent when you visit our websites again.
